25X1

1. Prior to 12 June 1955, no workers were hired by the VEB Ing Tiefbau Brandenburg for Falkenberg construction site (Alt Loennowitz airfield). It was learned from conversations that the construction project may not be carried out because of lack of funds.
2. During June 1955, construction continued at Alt Loennowitz airfield. Up to 50 carloads of construction material arrived daily.

Comment. It is assumed that the scheduled construction work at Alt Loennowitz airfield is actually being carried out by the Bauunion Sued.
